How others are doing their review. What has worked, what could be adjusted etc

Data collection and analysis

Data data data

# What do you need to know more about to be able to implement M&E within the NQF in your country?

To get an in-depth understanding of the NQF

Understand the philosophical dimensions of M&E - power, inequality etc

No fear to do errors

Establish the rationale behind development and implementation of NQF

How can we get other implementers of the NQF sub frameworks to conduct M&E within their respective NQFs sub frameworks especially on a country where a lot of political influence ?

Quantitative Analysis for analysis of quantitative data

Clear objectives of the NQF

Outline of the stages that will need to be covered to get to the final stage of approval

# What do you need to know more about to be able to implement M&E within the NQF in your country?

Patriotism and responsibility for results

Build awareness amongst various stakeholders on M&E

-Understanding the NQF Structure-M&E Framework and Tools-Capacity Building-Data Collection and Analysis-Stakeholder Engagement-Continuous Improvement

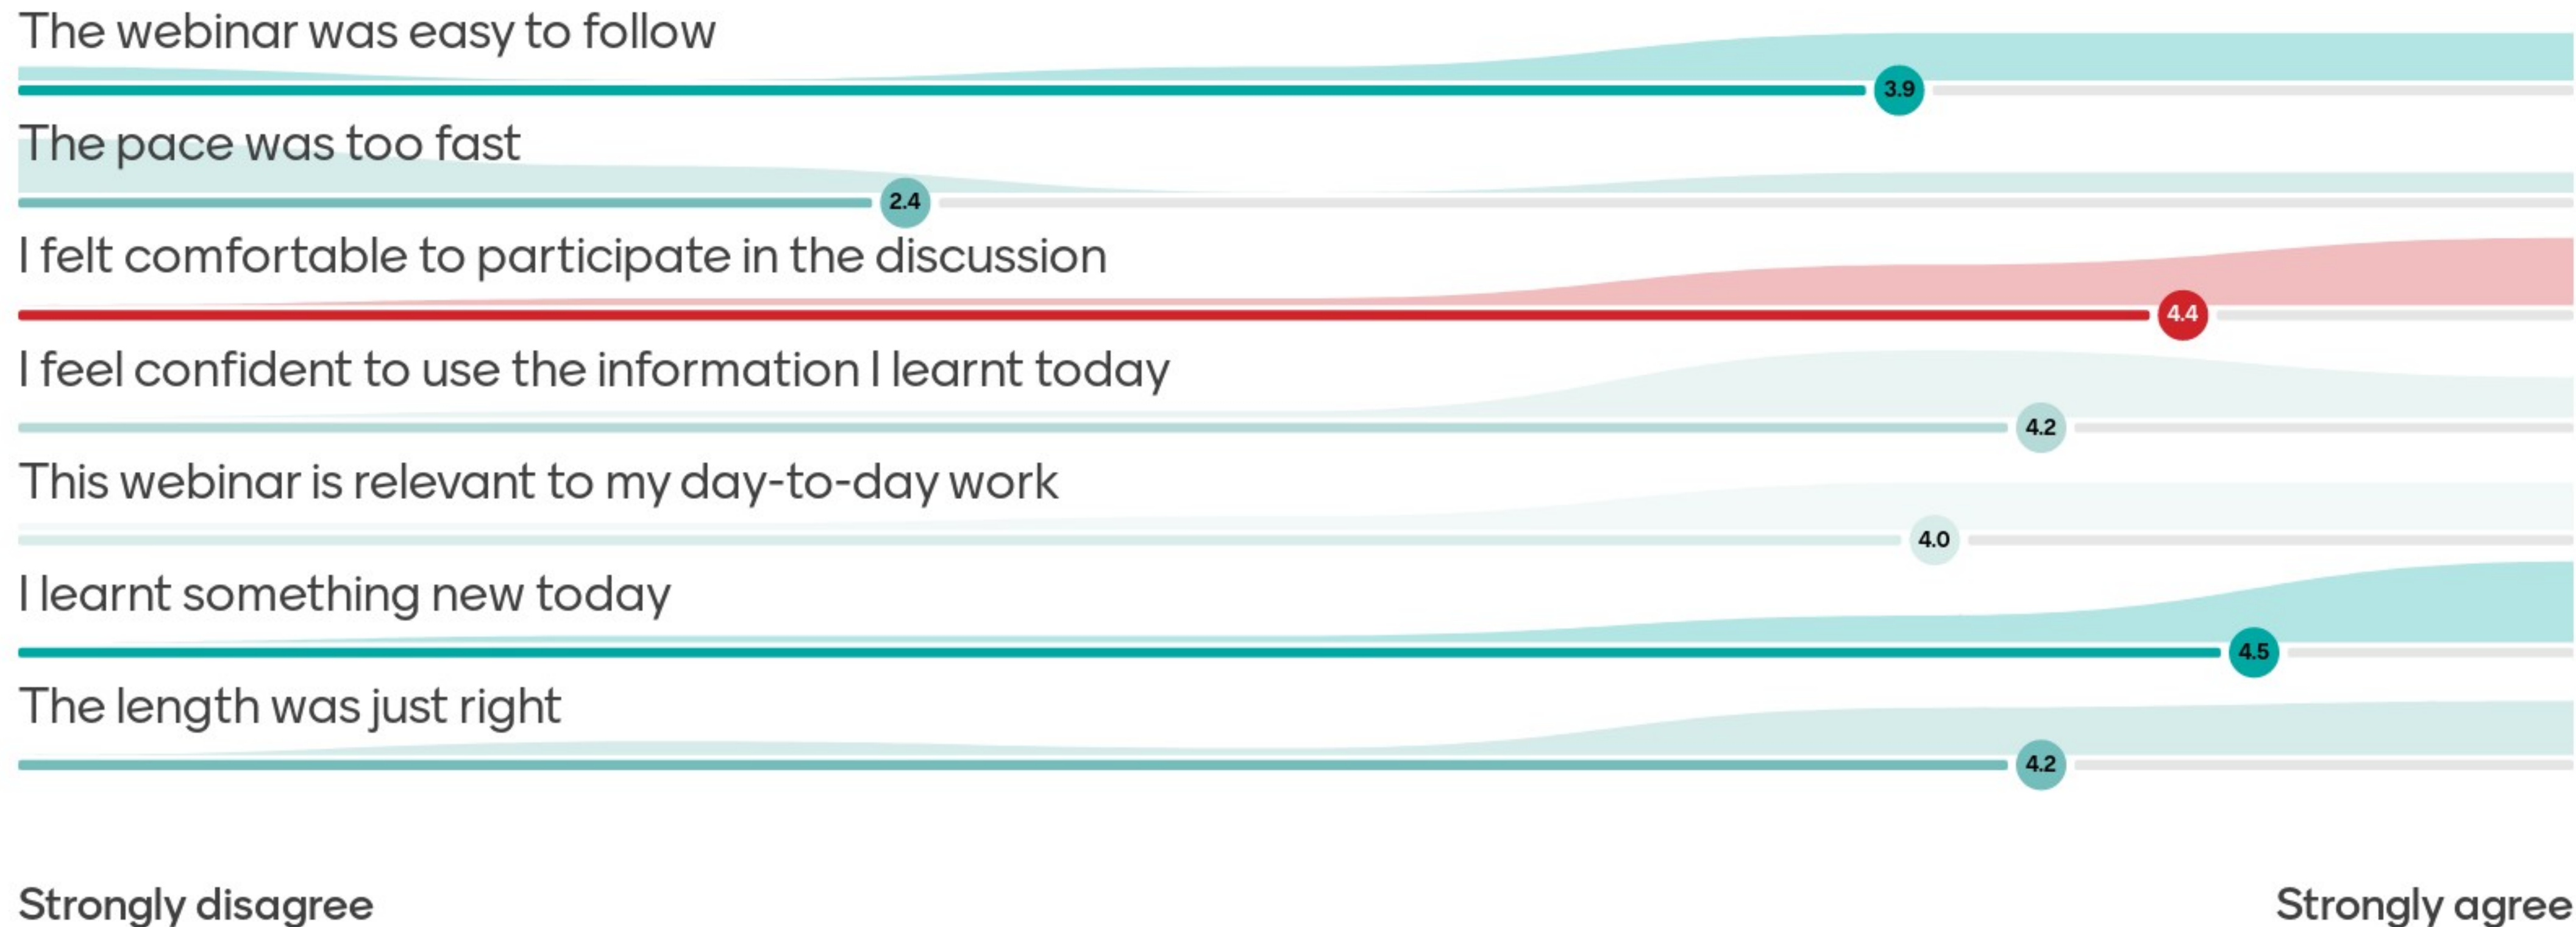

Best practice information sharing on M&E between NQFs

Changes in the no. of qualifications within country  
What do Users of the qualifications framework need.  
Budgetary considerations

In our case, we find that M&E systems are established. However, there cases where the gaps exists in the implementation framework, especially where the NQF has to rely on the QAAs.

for sure!

# Please rate the following statements based on the webinar today

# Will you attend another webinar?

26 responses

thanks for presentation

yes most definitely

absolutely

certainly

yes

definitely

for sure

yesss

a hundred percent

## Wrap-up

- Rationale & key concepts:
  - Monitoring, evaluation, M&E system and indicators.
- Considerations:
  - Establish need & demand; location of the M&E system; preliminary activities; organisational capacity needed to implement and use evidence; buy-in and uptake to support M&E activities
