Capacity-building in Monitoring and Evaluation (M&E) in the context of NQF - ACQF

Webinar Series

The Project ACQF-II conducts a four-part webinar series to provide capacity-building in the design and implementation of monitoring & evaluation tasks and activities. This webinar series is intended to assist Member States to implement monitoring and evaluation activities within the NQF. These activities will assist countries to understand the progress that is being made in the implementation of their NQF, to identify bottlenecks and areas where further support is required.

This webinar series is based on [Training Module Guideline 7](#) that is available on the ACQF website (<https://acqf.africa>)

There are four webinars that will be hosted during September and October 2024. These will include a combination of practical discussions and theoretical concepts.

Key expert and trainer: Rebecca Pursell-Gotz, JET Education Services. Contact person: Eduarda Castel-Branco. ecb@etf.europa.eu
